- ◆ Connection with common security & protection equipment and control equipment such as DVR, matrix, and picture division equipment etc;
- ◆ Support all the shortcut key of the dome to handle;
- ◆ Support alarm touch and alarm linkage.

## Specification

Model	SE-MK02
Power	Power supply: 9V-12V AC/DC
	Power consumption: 5W
Physical	Dimension: 378mm×160mm×69mm
	Weight: 1.8Kg
Environmental	Environmental temp: 0℃ ~ +50℃
	Relative humidity: 0 ~ 95% (No condensation)
Communication interface	Type of connection: DJ21 six plugs & RS232 DB 9 electrical outlet
	Type of interface: RS-485 (semi-duplex) & RS-232
	Communication speed: 2400/4800/9600/19200BPS
	Transmitting distance: 1200m (RS485, 0.5mm twisted pair cable)
